Dear Sir/Madam,

Paul Nash of Play 2 Support and of the above address, is raising money for Prostate Cancer UK through the Play2Support's Senior Pairs Golf Competition. We are aware that Paul and Play2Support Ltd will be approaching businesses and associates for support and we are very grateful for his hard work.

Prostate cancer is the most common cancer in men in the UK; one man dies every hour. Prostate Cancer UK is the UK's leading charity specialising in the field of prostate cancer. We provide support and information for men worried about prostate cancer as well as funding vital research into the disease and campaigning for better services.

It is only with the help from people like Paul and all those involved with this golf competition that Prostate Cancer UK can continue to provide such essential services to help the 47,000 men diagnosed with prostate cancer each year.

Thank you for taking the time to consider supporting Prostate Cancer UK. If you would like more information on our work and the services we provide please call on 0800 082 1616 or visit prostatecanceruk.org

Kind regards
